Presented to the students of Bellingham High School

Bellingham, Washington

May, 1968

Seniors '68

The class of '68 was great—no other words can describe this year's graduating class. Led by the determined leadership of Class President Dave Burn, the ever-present support of John Olbrantz, and the efficiency of Gayle Pauley, this year's senior class was one of the most productive in recent years.

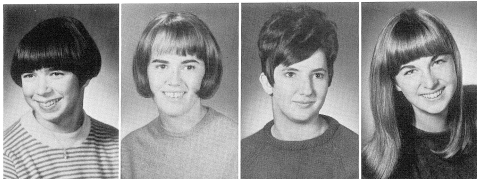

The senior class showed their pep and enthusiasm by selecting Dena Johnson as the What-A-Show Queen, while Tammy Kordal reigned as the Queen over the Football Homecoming activities. And to mention a few others, seniors Patty Nelson and Ron Otis led the Valentine's Assembly where many other seniors were honored.

Our senior song and yell leaders did an outstanding job of promoting school spirit. Although the class of '68 will be one of the smallest in number to graduate from Bellingham High, we cannot help but feel proud of it; therefore, Class of 1968, we salute you.
